Into Commissioner of Patents."

Instron, October II, 1850.—
R H. Eddy, Esq.—Dear Eir you procured for me, in 1860, my first patent. Shoo then you have acted for and advised me in humbrod's of cases, and produced many patents, releases and extensions. Have occasionally employed the best agencies in New York, Philladdy-bits and Wathington, but I still giveryou almost the whole of my business in your line, and adviso others to employ you.

HALL'S Vegetable Sicilian HAIR RENEWER

The proprietors have often been surprised

was the first preparation perfectly adapted to our diseases of the scalp, and the finiture-cessful restorce of faded or gray hair to its natural color, growth, and youthful beauty. It has had not any finitures, but none have so fully met all the requirements headful for the purper treatment of the late and scalp, Hall's Hain Renewen has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its upparalloled success can be attributed to but one muso the entire fulfilment of its promises.
